

Line voltage immersion humidistat for air ducts or industrial areas

Air duct humidistat Switch function/capacity: SPDT 230 Vac, 15 A

R.H. setpoint range: 35 ... 100 %rh

R.H. hysteresis switching point: 4 % rh

Ambient temperature: -30 ... 60 oC

R.H. sensing element: plastic tissue

(De) Humidification application: D + H

Mounting place: air duct

Type HGK3
